

*Stylish, secure, energy efficient,  
draft free and durable*

## Casement Windows

Imagine your home with windows that are as long-lasting as they are beautiful, and as elegant as they are energy efficient. By replacing your existing windows with ours, you'll make your favourite place even more special.

But that's just the beginning, when you're at home you'll see the difference with draught free, high security, stylish windows that are a perfect match for your home. You'll sense the difference too, because our windows come with excellent energy ratings, so they'll help to shrink your energy bills. Throughout their long lifespan, they'll remain virtually maintenance-free and as attractive as the day that they were installed.

best end result*

## Bay & Bow Windows

*Add character and let more natural light into your home*

Whether your home features a traditional bay or a more modern bow-style window, we can offer you a high-performance, draught-free and secure solution. Bay and bow windows open your room up to the outdoors, creating a feeling of space to maximise your glazing area and flood your home with natural light.

*Classic choice offering unrestricted access*

## French Windows

This double opening window perfectly complements cottage-style properties. Twin opening sashes with no fixed central mullion allows you to invigorate your home with fresh air and really let the outside in, whilst providing an effective means of fire escape from upper floors.

## Tilt & Turn Windows

Tilt and turn windows combine the benefits of a large glass area with ease of cleaning and excellent ventilation.

The innovative tilt-and-turn mechanism enables the window to be opened inwards from the top for effective ventilation or from the side for safe and easy cleaning from within your home.

*Maximum ventilation and easy to clean from inside*

# Colour Finishes

Your windows don't have to be white!  
Enhance your home with our stunning range of coloured windows, add a splash of colour to create a timber like, high quality finish that won't ever need painting.

## Standard Range

In addition to white, we offer two standard woodgrain colours: cherrywood and golden oak.

You can even specify white on the inside and a colour on the outside to make it easier to match your interior décor and give a brighter appearance inside your home.

The colours shown are designed as a guide. Before making your final decision, please ensure you have seen a colour swatch.
